Watercolor Quilt pattern!

Yellow Rose of Texas

Designed by Mim Schlabach

- 1. Cut** 15 light, 15 Medium, and 15 dark, 2” squares from a variety of Watercolor fabrics, primarily from floral fabrics (with medium sized flowers)
- 2. Lay out** the squares onto 2” pre-marked Quilt Fuse referring to the graph below. Fuse in place following the Quilt Fuse instructions. Stitch all of the vertical seams and press all one direction. Repeat with the Horizontal seams.
- 3. Trace, cut, and apply the** stem and leaves from a green textured look fabric (Such as a Moda Marble or Maywood Studio’s Shadow Play.)
- 4. Trace, cut, and fuse on** the background **blossom** from dark yellow fabric with textured look, using Steam-a-Seam II. Cut the blossom overlay from light yellow fabric with textured look, lay it *over* the darker yellow petals and **fuse** into place as shown.
- 5. Machine Quilt** around rose, stem and background if desired. Enjoy!!

A Splash of Sunshine for a small wall area or pillow! The Rose of Texas Watercolor Quilt designed by Mim Schlabach is easy to assemble...a great beginner Quilt kit! Finished size is 9” x 9” without borders.

Begin by laying out, fusing, and stitching the Watercolor Fabric Squares onto Quilt Fuse for the background following the suggestions given in the *Whims General Instructions*, and by referring to the graph below. Note that **many** of the squares (including darks, mediums *and* lights) have been turned over to create a lighter area.

1. Trace, cut, and apply the **stems and leaves**.
 1. Trace and cut the background **blossom petals** from the darkest yellow fabrics first. Cut the blossom petal overlay from the lighter yellow fabric, lay lighter petal overlay *over* the darker yellow petal and **fuse** into place as shown.
 2. **Machine Quilt** block as indicated on the pattern and in the *Block of the Month Generals*.
